

Grade 2 Deadbolts 220 Series

Overview

The 220-Series are heavy-duty deadbolt locks. A rugged fixed shroud surrounds the latchbolt and a free-spinning solid metal collar encases the cylinder, resisting most physical attacks. Available with SC1 or WR5 keyways or prepped for Small Format Interchangeable Core (SFIC). These locks are recommended for use on exterior and interior doors.

Compliance

- ANSI/BHMA 156.2 Series 4000, Grade 2
- Latch is UL Listed (US and Canada) for 3-hour fire doors (R15852)

Applications

- Offices
- Commercial Property
- Residences
- Multi-Family Buildings
- Industrial Sites
- Public Buildings.

Grade 2 Deadbolts, 220 Series
